Sir,

In continuation of my letter No.913 dated 10th February 1914, I have the honor to propose that Mr. C.B. 2. I propose this appointment being made under Section 23 clause (2) (a) of the Municipal Regulation, as in my opinion, the work of a non-official Vice President in charge of the Municipality is still in its experimental stage, and it will be too premature either to revert to the ex-officio Vice Presidentship or to extend to the Municipal Council the privilege of electing the Vice President.

Respected Sir,

We, the Citizens of Kolar Town, beg to take the liberty to bring the following few lines to your Honour's kind consideration and of favourable orders.

1. We beg to state that we are under a deep debt of gratitude to the present Government for giving us the privilege of having a non-official Vice President for the Kolar Town Municipality.

2. Mr. S. Mallari Rao, the Honorary non-official Vice President who continued to be in office for some time, we hear, has resigned for some reason or other his office of the Vice Presidentship. If the rumour is true we humbly beg to suggest that before approving of the recommendation of the Deputy Commissioner and President, the Government may extend to the Council the privilege of electing a non-official Vice President to fill up the vacancy.

3. In giving us or our representatives this privilege we would be electing the best leisurely local talent who would work with devotion out of pure love for his towns-men without accepting any remuneration
